TWENTY-TWO YEARS IN BUSINESS

Messrs. Royall and Borden Will Celebrate the Anniversary in Manner Interesting to the Public.

Their Spacious Three-story Establishment in This City Will Be Thrown Open in all its Departments to All Visitors, Who Will Be Cordially Received.

Messrs. Royall & Borden, whose name is identified with the furniture business of the entire country, and whose widespread trade has carried the name of Goldsboro far and wide, until Royall & Borden, Furniture and Goldsboro are so closely associated in the public mind and linked in the public thought that to name one the others arise, are preparing for an elaborate celebration of their twenty-second anniversary in business during the week beginning October 21st.

For this interesting event this progressive firm have generously selected and provided for every lady visitor to their store during their Anniversary Week a beautiful and serviceable souvenir, which is such that every lady will appreciate and preserve.

It was tedious to enumerate in detail the elaborate preparation, the firm have underway in all the departments of their commodious triple story store, but especially attractive will be the display in their Carpet and Rug department. They have been giving this line of their business special attention for the past two years and the success attained herein is in keeping with their established record, and is even greater than their most sanguine expectations had anticipated. Not only has this branch of their business prospered here at home, but they have been fortunate in securing every large order in North Carolina, South Carolina and Virginia wherever they made an effort to secure same, notwithstanding they in every case had strong competition from the largest houses in the country.

Their success in securing the business was due not only to the low prices at which they sold and that their goods were equal to the best, and the firm's established integrity, but also that they have expert and experienced men in this branch as in others of their business, as well as the most improved devices for cutting, sewing, fitting and laying carpets.

Every one fully appreciates the value of cutting, sewing and fitting carpets. The last large contract the firm secured is for the Odd Fellows' Lodge of our own city, which will require about 600 yards of carpet.

A stronger testimonial as to the merit of their work cannot be offered than that of our well known and distinguished statesman Ex-Gov. T. J. Jarvis, of Greenville, which reads as follows:

Greenville, N. C.
Dear Sir—"The beautiful carpet furnished by your firm to our new church receives the admiration and praise of all who see it.

"Your cutter and fitter, Mr. Fox, did us a splendid job in cutting making and putting it down. It fits like a glove, notwithstanding the floor is higher on the rear and side than in the middle.

"I take pleasure in recommending your firm and Mr. Fox to all who desire reliable high grade work.

"Truly yours,
"THOS. J. JARVIS,
"TO MESSRS. ROYALL & BORDEN,

COTTON GROWERS.

President Jordan Presides and Live Matters are Being Discussed.

Atlanta, Ga., Oct. 9.—Harvie Jordan is presiding today at meeting of Cotton Growers and Manufacturers.

The report on handling cotton submitted today advises the adoption of the Egyptian style of bale.

A lengthy discussion is in progress over this proposition.

MEDAL OF HONOR LEGION.

Several Hundred Members Attending From Various Parts of the Country.

(By Special Wire to the ARGUS.)

Washington, D. C., Oct. 9.—One of the most notable gatherings of men seen in Washington in a long time—men who have been officially recognized by Congress for acts of great heroism during the civil war, the Spanish war and at other times—sembled at the Ebbitt House today for the opening of the seventeenth annual meeting of the Medal of Honor Legion of the United States, several hundred members attending from various parts of the country.

The legion is composed of officers and enlisted men of the United States army and navy who have been awarded medals of honor "for most distinguished gallantry in action" during any war in which the United States has been engaged. Only about 2,000 such medals have been awarded among the millions of men who have faced death for their country, and at present there are but 458 living members of the order.

The officers of the legion are: Commander, P. DeLacy, Scranton, Pa.; senior vice commander, S. B. Horne, Winsted, Conn.; junior vice commander, William Search, Boston; quartermaster, N. D. Preston, Philadelphia; judge advocate, Walter Thorn, Brooklyn; inspector, Charles H. Houghton, Newark, N. J.; surgeon-in-chief, Gabriel Grant, M. D., New York; historian, St. Clair A. Mulholland, Philadelphia.

CLEVELAND A SICK MAN.

(Special to THE ARGUS.)

New York, Oct. 11.—Grover Cleveland and wife returned to Princeton today, after spending last evening and part of yesterday and to-day in New York.

Mr. Cleveland came to attend a meeting of an insurance company of which he is a director.

He leaned heavily on his cane and showed plainly the effects of advancing years and ravaging sickness.

The former President, it is said, is suffering from acute indigestion and this, combined with his advanced age and disregard of his doctors orders, makes his friends feel very anxious about his condition.

Let It Go At That.

Greensboro Record.

Raleigh is very much mortified at the "reception" tendered the Rowlands on their accquittal Sunday morning. Great crowds met them and covered them with flowers and the News and Observer express great regret. Why? Human nature is by nature kind and the fact that these people, one of whom was a good looking woman, were acquitted—escaped the noose—appealed to them. Truth is the woman caused most of it. Probably a good many congratulated the Rowlands who would not do it again. But Raleigh need not be ashamed; the incident is human that's all.

FIRST BEAR HUNT.

President and Party Take to The Cane Breaks.

(By Special Wire to the ARGUS.)

Stamboul, Oct. 9.—President Roosevelt and party were up bright and early this morning and started out on a bear hunt.

A good day's sport is anticipated as the weather is fine.

GENERAL GODFREY RETIRES.

The Military Career of Veteran Soldier Came to an End Today When General Godfrey Was Placed on the Retired List.

(By special wire to THE ARGUS.)

Washington, D. C., Oct. 9.—The military career of a veteran soldier came to an end today when Brigadier General Edward Settle Godfrey, commandant at Fort Riley, Kas., was placed on the retired list by operation of the age limit.

General Godfrey comes from Ohio and was a private in the Twenty-first Ohio infantry during the civil war. He was appointed to West Point in 1863, and upon graduation four years later became second lieutenant of the Seventh cavalry.

His first lieutenantcy came in 1868, and eight years later he was promoted to captain. In 1896 he became major of the First cavalry, and was transferred to the Seventh in 1897. He was made lieutenant colonel of the Twelfth cavalry in February, 1901, and in June of that year was promoted to the colonelcy of the Ninth. His promotion to brigadier general during the present year.

COL. BRYAN'S ILLUSTRATED

BOOK OF TRAVEL

The success of Col. Bryan's new book "THE OLD WORLD AND ITS WAYS" gives striking testimony to his hold on the popular mind. It recounts and profusely illustrates his recent journey around the world. It has been issued five months, and we are advised that, in that short period, four large editions aggregating 41,000 copies have been called for. The reports of agents, which have been submitted to us, would indicate that the demand for it is well nigh spontaneous and universal—that it exceeds that for any other book published for the subscription trade since the period of "Grant's Memoirs." Col. Bryan's book with like success depends upon no sympathetic element for its strength. But it has on the part of the people the enduring feeling of personal confidence in the great moral and intellectual integrity of its author.

It has an equally pronounced admiration for his brilliant abilities, and the untiring energy that enabled him to cover the world in his noted tour—and to photograph and describe it in his inimitable way. Without official place Col. Bryan is everywhere regarded, at home and abroad, as a vital force in American affairs. As a student of men and of government, and of governmental conditions, his observations and conclusions profoundly interest the people. Hence the great sale of his books, descriptive of men and things seen during his noted tour around the world and through the Nations. It is vitalized by 251 artistic engravings, from photographs taken by him or under his supervision, representing men, places and things that interested him and that specially interest every American reader. It is a most unique presentation of a wonderfully interesting journey that has caught the attention of the people, and met with great demand. It is sold only through soliciting agents.

The Thompson Publishing Company, of St. Louis, Mo., are the fortunate publishers.

Jackson, Mich., Oct. 9.—In an interview to-day Governor Vardaman severely criticizes President Roosevelt and expresses surprise that the South should be caught by what he calls Roosevelt's "Cheap Flattery," handed out on his Southern tours.

THE BATTLE OF SUMMIT SPRINGS.

Indian Warfare to be Reproduced With Buffalo Bill's Wild West in This City October 18.

The principal feature with Buffalo Bill's Wild West this season is a reproduction of The Battle of Summit Springs, one of the deciding conflicts in the Government's task of subduing the red-skin. Col. Wm. F. Cody ("Buffalo Bill") participated in the original battle on July 11th, 1869, at Summit Springs, near the western border of Nebraska. In this battle Chief Tall Bull, who was in command of the renegade Indians, or "Dog Soldiers," as they were called, was shot and killed, at a distance of about forty yards, by Buffalo Bill, who shot him from his horse.

This important incident will, of course, be reproduced as a part of the realistic mimic battle. Gen. E. A. Carr, who was in command of the government forces; Gen. E. M. Hayes, Gen. Wm. P. Hall, and other officers who participated in the original battle are still alive and will be impersonated in the battle scene in the Wild West.

Incidental to the battle scene will be shown many interesting features of Indian life; the erection of an Indian village will be shown, and incidents of Indian camp-life will be faithfully depicted. The attack by the troops under Gen. Carr, will constitute a stirring scene and the rigors of war will be dramatically illustrated. The battle of Summit Springs, while the chief feature of the exhibition, will by no means constitute the only scene of western life. There will also be "The Great Train Hold-Up," showing one of many scenes of lawlessness which have followed the westward march of civilization, and there will be a holiday at T-E Ranch, in which scene there will be blended the pleasures and pastimes of the plainsmen with the horrors of an Indian attack upon the whites.

The three big scenic features will be of exceptional interest because of their historic correctness and because of their value as replicas of scenes taken from an eventful period in our nation's past.

The exhibitions of horsemanship by the Rough Rider contingent will form a novel and interesting section of the programme and at every performance Buffalo Bill will be in the saddle directing the entertainment and participating therein.

The date of this great attraction's appearance in Goldsboro is Friday of next week—October 18.

A NOVEL ENCOUNTER.

A Bear and Bull Fight to a Finish Today on a New York Farm.

Port Jervis, New York.—A desperate and fatal fight was fought near here today on the farm of Jacob Schiffer, near Cook's Falls, by a big 200 pound bear that wandered into his pasture and was immediately attacked by the boss bull of the ranch.

The fight lasted over a half hour when the bull killed bruin very dead indeed.

PRINCELY CONTRIBUTION.

Largest Religious Thank Offering on Record.

J. P. Morgan Leads With His Personal Check for One Hundred Thousand Dollars.

Special to THE ARGUS.

Richmond, Va., Oct. 9.—The men's thank offering at Trinity church here, this morning, by the delegates to the general convention of the Episcopal church, was the largest single collection for christian purposes ever taken up.

It amounted to fully one million dollars. Of this amount lay delegate J. Pierpont Morgan of New York, gave his check for one hundred thousand dollars.

The church has settled down to hard work and is rapidly transacting its business. The session will continue for perhaps three weeks yet.

FEARFUL ITCHING AFFLICTS FAMILY

For Six Months They Suffered Tortures—Patches of Humor Became Raw—Could Hardly Sleep—Medical Treatment Did No Good but

TWO SETS OF CUTICURA CURED THEM IN TEN DAYS

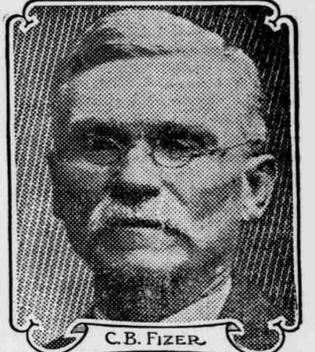

"Last February my sister broke out with a humor which gradually spread to the rest of the family. I being the last to take it. It manifested itself in patches varying from the size of a pea to that of a silver dollar. The joints of our limbs were most affected. The parts where the skin was tender soon became raw and irritated and we were able to sleep but little because the itching got so bad at night. My sister consulted a physician but he was unable to name the disease and the treatment he prescribed did no good at all. As the warm weather came on we were tortured worse than ever, the irritated parts causing us to scratch until they would bleed. In August, when it was at its worst, my sister was given a cake of Cuticura Soap. This she tried and it afforded so much relief that I bought the complete treatment, consisting of Cuticura Soap, Cuticura Ointment, and Cuticura Pills. This we used according to directions and immediately the humor began to disappear. I then bought another set and the whole family were cured by these two, the blotches disappearing in ten days. After this we used the Cuticura Pills for ten days more to be sure that the humor had gone to stay. We have not been troubled since and we all think that if it had not been for the Cuticura Remedies we would have been suffering yet. George W. Brown, 18 Linden St., Rockland, Mass., Jan. 28, 1907."

DISFIGURING Humors, Eczemas, and Itchings Cured by Cuticura.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of scalp, as in scalled head, all demand a remedy of extraordinary virtues to successfully cope with them. That Cuticura Soap, Cuticura Ointment, and Cuticura Pills are such standards proven by testimonials of remarkable cures when all else has failed. A Single Set often Cures. Sold throughout the world. KIDNEY TROUBLE

Suffered Two Years—Relieved in Three Months.

MR. C. B. FIZER, Mt. Sterling, Ky., writes:

"I have suffered with kidney and bladder trouble for ten years past.

"Last March I commenced using Peruna and continued for three months. I have not used it since, nor have I felt a pain.

"I believe that I am well and I therefore give my highest commendation to the curative qualities of Peruna."

Pe-ru-na For Kidney Trouble.

Mrs. Geo. H. Simser, Grant, Ontario, Can., writes:

"I had not been well for about four years. I had kidney trouble, and, in fact, felt badly nearly all the time.

"This summer I got so very bad I thought I would try Peruna, so I wrote to you and began at once to take Peruna and Manalin.

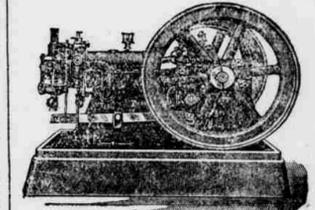

"I took only two bottles of Peruna and one of Manalin, and now I feel better than I have for some time.

"I feel that Peruna and Manalin cured me and made a different woman of me altogether. I bless the day I picked up the little book and read of your Peruna."

It is the business of the kidneys to remove from the blood all poisonous materials. They must be active all the time, else the system suffers. There are times when they need a little assistance.

Peruna is exactly this sort of a remedy. It has saved many people from disaster by rendering the kidneys service at a time when they were not able to bear their own burdens.
